CAMP THOMPSON TEEN OPPORTUNITIES

LEADERSHIP IN TRAINING JULY 9-22 (AGES 14-15)

L.I.T. is an exciting and challenging program geared toward building the participants' leadership skills while still in a supervised and structured environment. During the program participants will develop the following leadership components: **time management, leading organized activities, service learning, public speaking and listening.** These valuable tools are beneficial in more than the camp community; they will be useful in life as well. Working in small groups, teens will participate in team initiatives, leadership workshops, service projects and all camp activities. As part of the course participants will create, plan and implement a 2- to 3-day back-packing trip for themselves at the end of their course. This is a 2-week residential program but just like the younger campers, participants go home in between sessions.

Member Fee: \$426 / **Non-Member Fee:** \$497

COUNSELOR IN TRAINING JUNE 12 - AUGUST 18 (AGES 15-16)

A Volunteer Opportunity! The C.I.T. program focuses on **leadership, communication, counseling and activity skills** necessary to become a counselor. If selected, C.I.T.s must complete training in June 2016, and may request positions lasting from three to six weeks. This is an unpaid, volunteer program. There is no fee for participation. Applications must be submitted and interviews will be conducted. Applications are available at the Y Welcome Center or on our website. Teens must be age 15 by June 1, 2017 to apply.

JUNIOR COUNSELOR JUNE 1 - AUGUST 18 (AGES 17-19)

An Employment Opportunity For All Camps. Young adults may apply to join our staff as Junior Counselors. If selected, JCs will be assigned a Senior Counselor as a mentor who will answer questions and guide them in their continuing staff development. These are paid positions. **Applications must be submitted and interviews will be conducted.** Applications are available at the Y Welcome Center and on our website. Teens must be age 17 by June 1, 2017 to apply.

CAMP THOMPSON SUMMER INTERNSHIPS

Camp Kitchen Staff

Do you want to work in the culinary field, or learn more about ordering and preparing food for large groups? Camp Thompson is looking for kitchen help in several different capacities over the summer: 1) Head Cook (experience preferred and ServSafe certification required), 2) Line/Prep Cook and 3) Food Safety and Sanitation.

Camp Nurse

Don't put your bandages and stethoscope away yet! Being a summer camp nurse is a great internship to practice for those upcoming clinicals and get hands-on experience in a fun, outdoorsy setting. First Aid and CPR/AED certification required.

Submit questions to Brittany Rose at brose@carlislefamilyymca.org. Applications are available on our website or at the Carlisle Family YMCA Welcome Center.

OUR CAMP POLICIES

Permission to Treat

This health history is correct in so far as I know and the person herein described has permission to engage in all prescribed camp activities, except as noted. I have read and completed in full the registration forms provided by the Carlisle Family YMCA and accept full responsibility for omissions or errors on the registration forms. I hereby give permission to the medical personnel selected by the camp director to provide routine health care; to administer medications; to order x-rays, routine tests, treatment; to release any records necessary for insurance purposes; and to provide or arrange necessary related transportation for me/or my child. In the event I cannot be reached in an emergency, I hereby give permission to the physician selected by the camp director to secure and administer treatment, including hospitalization, for the person named above. This completed form may be photocopied for trips out of camp. Parents and guardians will be notified of an illness or injury to their camper. Parents and Guardians are notified when the child:

1. was involved in a physical fight, regardless of injury
2. has a temperature at or above 101 degrees
3. has received any injury to the head
4. is being transported to the emergency room for any reason
5. has been stung by a bee, wasp or hornet (sweat bees are at the discretion of the Camp Director)
6. has been bitten by a spider
7. has suffered more than one bout of vomiting
8. has suffered from a fluid depleting illness for more than 8 hours (vomiting or diarrhea)

Hold Harmless Statement

I hereby assume responsibility for the risks associated with normal camp activity and release the Carlisle Family YMCA and its staff from liability. I am aware and understand that participating in a Carlisle Family YMCA Camping program involves a potential risk of physical injury and I understand that normal camp activity can be physically demanding and potentially dangerous. I am aware and understand that all of the program activities are strictly voluntary and it is my own choice to register my child after due consideration of his/her physical health, physical abilities and medical condition. In recognition of this, I, or my child, my heirs and assigns, hereby release the Carlisle Area Family YMCA and their employees from all claims and liability from negligence arising from participation in the program. I further agree to hold harmless and indemnify the Carlisle Family YMCA and its agents for all defense costs, including attorney's fees and any other costs resulting in connection with my or my child's participation in this activity. I understand that this release relates to all claims and liability during or after the program resulting from a preexisting medical condition. I also understand that this release relates to all claims and liability resulting from unforeseen or intemperate weather. I have read this entire release of claims and fully understand it. I have satisfied my questions and concerns regarding the Carlisle Family YMCA Camping programs by speaking with representatives of the camp.

Severe Weather Policy

All camps will spend most if not all their day outside. In the case of severely hot days our staff will do their best to limit excessive play, take breaks in shade, give frequent water breaks to stay hydrated, re-apply sunscreen and go indoors when applicable (YADC). Please pack any additional precautions for your child: a towel that can get wet, additional water bottle, sunscreen, etc. If you choose not to send your child to camp on a hot day, no refunds will be given.

Passenger Orientation

Each set of campers is given an orientation prior to riding in a camp vehicle. The orientation covers evacuation procedures, safety regulations and proper behavior. Passengers are instructed that they should remain seated at all times with hands and arms inside the vehicle. Seat belts should be fastened—one person per seat belt. Noise level should be such as to not distract the driver. There should be no throwing of objects or other disruptive behavior. Passengers should enter and leave the vehicle under the direction of a staff member and/or driver. If the vehicle makes an emergency stop, passengers should follow directions from staff members and/or driver and use the buddy system if leaving the vehicle. All new groups using a school bus or van should practice an emergency evacuation.

Pick Up / Drop Off

Before sign-in and after sign-out the camp is not responsible for the camper that has been signed out or has not yet been signed in and is the responsibility of the parent or guardian until the camper has been signed in. We expect that parents and guardians will follow camp policies while on camp grounds. The person who drops the camper off each morning (or at the start of resident camp) is expected to be the same person who picks up the child, unless the staff is given written notice at the time of drop-off. This is to ensure the safety of your child. Also, if the camper will be picked up early, the staff should be notified at the time of drop-off. If alternate pick-up is being arranged, camp staff may ask to see a photo ID before releasing the camper. In the event of a planned change in pick-up or drop-off times of campers the Camp Director will communicate in writing to participants and/or guardians 24 hours prior to the change in schedule or pick-up / drop-off time. In the event of a delay in the transportation schedule of 20-30 minutes the Camp Director will notify the Welcome Center at the Carlisle Family YMCA and they will communicate the change to parents and / or guardians. In some instances parents / guardians will be notified directly by the Camp Director.

Behavior Policy

At the Carlisle Family YMCA, we view a successful camping season as a positive, joint venture between the parent/ guardian, the camper and our staff. To make this possible, specific behaviors from both parents and children will not be tolerated in our programs. These behaviors include, but are not limited to: swearing, kicking, punching, biting, refusal to follow directions, refusal to stay within designated camp boundaries or threats directed towards other campers, campers' families or our staff. If any of the behaviors listed above, or others negative in nature, are exhibited, the following actions will be taken:

1. A verbal warning.
2. In camp discipline (ex. time-outs).
3. Conference with parents or guardians.
4. Suspension or dismissal from the program.

Note: We reserve the right to dismiss campers from the program without warning.

Photograph Policy

Photographs and videos will be taken of camping participants and staff and may be used for display, promotions or advertising.
