WHAT SETS APART OUR SUMMER CAMPS FROM OTHER LOCAL OPTIONS?

ACCREDITATION AND HIGHLY TRAINED DIRECTORS

The Carlisle Family YMCA camp program is just **one of two programs within 30 miles of Carlisle accredited by the American Camp Association**. This means **we comply with up to 300 health, safety and program quality standards**. Going through the yearly re-accreditation process shows how much we care and the lengths to which we will go to prove our accountability, credibility and commitment to the families we serve each summer.

In addition to our American Camp Association Accreditation, Senior Program Director Justin Rose is certified through Darkness to Light to facilitate Stewards of Children trainings. **D2L's mission is to empower people to prevent child sexual abuse**. Our 2017 summer camp staff will be required to take a Stewards of Children training. Why? Because **we care about the safety and well-being of your children as much as you do**.
